

***I just created this check sheet for CS290 project. Please do not trust this check list 😊

What to do with your cat(s) when you go travelling

- ☐ Contact us and book cat sitting service.
- ☐ Stock up on treats and food.
- ☐ Keep the door closed for the rooms you do not want your cats to go.
- ☐ Keep the door open for the rooms that cats are allowed to go. It is good to have door pinch guards so that the doors won't close on accident.
- ☐ Prepare plenty of water at multiple place.
